

## **INFORMATICS Independent Study Form**

*Please complete this form and share it with the faculty member overseeing your independent study by the beginning of week 2 of the quarter (April 4). This is NOT a contract but your best guess about the topic and scope of work proposed for the quarter—we expect that your plan will likely change as you start the work! Consider using this form during check-in meetings with faculty, adding to it as you go.*

Student Name: \_\_\_\_\_

Faculty supervising the Independent Study: \_\_\_\_\_

Quarter (select one):

Fall

Winter

Spring

Summer

Number of credits I am enrolled in for this independent study: \_\_\_\_\_

### **Independent Study Plan**

**I. Focus:** *This quarter I plan to focus on the following topic/research for my independent study:*

**II. Deliverables/Outcomes:** *I plan to produce the following as key deliverables/outcomes of the independent study. (For example: a paper, a reading list, a lit review, data collection, etc.):*

**III. Weekly schedule:** *I plan to follow the weekly schedule below.* It is ok if this schedule changes but please think through what activities need to happen when, in order for you to complete your proposed deliverable(s). Feel free to customize this table to help you and your advisor plan and track your work during the quarter.

Week	Description of proposed activity
1	
2	
3	
4	
5	
6	
7	
8	
9	
10	
11
